Wyo-Horse Jewelry is "fashion jewelry with a western edge". We are unique in our design, quality and customer service. I have a hand in every aspect of the business — and hold myself, our partners, suppliers, and employees to the highest standards. I pour my heart into the selection and designs of every piece.

Living in Denver, Colorado, (and spending several weeks a year in Wyoming and traveling the West) I am truly a Western woman, and that is always reflected in the style and detail of the Wyo-Horse Jewelry I design.

Your business supports the Wyo-Horse Jewelry family, an American small business. Thank you.
